Education

Bachelor of Technology - Information Technology 2023 - present
MKSSS Cummins College of Engineering for Women, Pune, India

- Maintained a CGPA of 8.76/10.

Class - XII 2021 - 2023
Decent Junior College, Nagpur, India

- Achieved a score of 82.17 out of 100.

Class - X 2011 - 2021
G.M.B.English Medium Highschool, Arjuni Morgaon, India

- Achieved a score of 96.80 out of 100, demonstrating strong performance and attention to excellence.

Technical and Soft Skills

- Programming: Java, Python
- Core CS: DSA, OOPs, DBMS
- Web Technologies: HTML, CSS, React.js
- Databases: MySQL, SQL
- Technologies: Machine Learning, Data Science, CI/CD pipeline
- Tools: Git, VS Code, Power BI
- Soft skills: Leadership, Teamwork, Multitasking, Problem solving

Projects

Data Science - Binge Worthiness Website  2026

- Performed data preprocessing, EDA, and Machine Learning model building using Python and Scikit-learn.
- Created interactive Power BI dashboards for trend analysis, KPI tracking, and business insights.
- Applied feature engineering, data visualization, and model evaluation techniques on real-world datasets.

Bug Tracking System  2025

- Developed a JavaFX desktop application to manage software bugs, streamlining reporting, assignment, fixing, and closure workflows, resulting in a improvement in bug resolution efficiency.
- Used PriorityQueue, HashMap, Queue, and Stack to implement bug prioritization and lifecycle management.
- Integrated MySQL using JDBC for persistent storage and retrieval of bug records.

Job Recommendation System 2025

- Developed an AI-powered Job Recommendation System utilizing Machine Learning, Association Rule Mining, and the Apriori algorithm, resulting in improvement in accuracy and providing skill-based recommendations to users.
- Performed data preprocessing, feature extraction, and model evaluation using support, confidence, and lift metrics on a real-world Kaggle dataset.

Achievements

Academic Excellence

- Successfully completed **Google Analytics** certification.
- Scored 98.56 percentile in **MHT-CET** 2023.
- Participated in and won multiple awards in the Science and Math Olympiad, conducted by the Science Olympiad Foundation (SOF) (2012–2019).

Sports 2025

- Secured **3rd place** at Savitribai Phule Pune University(SPPU) inter-collegiate Volleyball Tournament .
- Won **1st place** in national-level inter-collegiate volleyball tournaments including ZEST 2025, Pentacle 2025 2026, and Damini 2025 2026.

Extracurriculars

Sports participation 2018

- Volunteered in the Pentacle 2026 National Inter-Engineering Volleyball Tournament, helping coordinate logistics and match operations for 60+ participating teams.
- Participated in District level Chess Competition.

Robot Development 2018

- Designed and developed a remote-controlled robot at Atal Tinkering Lab capable of autonomously following a black tape path without deviation.
